HUMBLING

PRIDE

WEEK 1

WEEK ONE

Pride / Humility

READ

James 4:6-10

DISCUSS

Where do you find the sin of pride creep into your life? In what ways do you feel that receiving “more grace” would help you resist the deadly sin of pride? What are practical ways you could “resist the devil” (verse 7)? What promises does God offer to us in these verses?

ACT

Drawing near to God as James tells us to do in verse 8 is about our willingness to be vulnerable and to repent. The promise is that God will not refuse to come near to us. This week, write in a notebook one place where you struggle with pride and ask God to come near to you with His grace and forgiveness.
