WEEK 5

WEEK FIVE

Greed / Generosity

READ

1 John 3:16-19

DISCUSS

Why do you think John gave us an example of love rather than defining it? How is an example of something more helpful than a definition? Share an example of how someone has shown love to you recently. When you see someone who is in need, what are the feelings or emotions you often experience?

ACT

This passage ends by telling us that we can be assured we know the truth when we act upon it. This week, find a way to be generous with your actions as well as your words with at least three other people.
